DRESS CODE POLICY **2022 - 2023**

DRESS CODE:

1. KFDA enforces a strict dress code to promote safety, discipline, and uniformity in all classes. Proper dress allows instructors to view proper body alignment and muscle use.
2. Dance shoes should NOT be worn outside of the dance studio at any time.
3. Dancers who do not dress appropriately for class will be given a reminder card. If more than one incident occurs the dancer will be asked to leave/or sit in the lobby and a parent will be contacted.
4. Dance shoes and some attire can be purchased through the KFDA Online Store (see <https://www.shopnimbly.com/kfoxdance>). When purchasing dance wear elsewhere, please follow color and style requirements listed below.
5. Students, not parents, are responsible for being ready for class. Students should follow all dress code guidelines and be prepared for class with their dance bag and the correct shoes.
6. Dancers must come to class in appropriate dance attire and shoes.
7. Hair should be pulled back away from the dancer's face for all classes, a bun, ponytail, or braid(s) are preferred. Dancers may be asked to sit out during class if they fail to comply with KFDA's dress code. No street clothes are permitted in dance classes (no jeans or non-stretch clothes are allowed).
8. No jewelry is allowed with the exception of small post earrings.
9. Do not send young children to class with any dress-up jewelry or accessories such as crowns, or toys. These items disrupt class and the dancer's focus even more so when they break in class.
10. Ballet shoe strings should be tucked inside the shoe or cut off.
11. Female students should not wear underwear when wearing tights. Dance tights act as underwear thus eliminating the need for traditional underwear. Leotards should be worn with tights, booty/biker shorts, or leggings.
12. Proper hygiene is essential in all aspects of life, but crucial in the dance world. In the dance studio where activities induce sweat and dancers are moving through space, odors can become a terrible distraction and an embarrassment for students, especially if mentioned aloud by an insensitive classmate. To avoid problems such as these, please be sure all dancewear is laundered after each use, hair and bodies should be kept clean, and deodorant should be a consideration for all students age 7 and up for dance class. Please do not spray perfume prior to dance class or use in lieu of cleanliness as this will create an offensive odor when mixed with sweat and may aggravate the allergies of other sensitive students.
